Re: United States v. Adis Medunjanin  
Criminal Docket No. 10-19 (BMC)

Dear Judge Cogan:

The government respectfully writes to request that the September 22, 2020 re-sentencing date for petitioner Adis Medunjanin be continued to a date in November 2020.

Since the United States District Court for the Eastern District of New York resumed in-person court appearances earlier this month, the government has now requested that the United States Marshals Service (USMS) produce Medunjanin in the Eastern District of New York for re-sentencing. The government is working with the USMS to determine how long it might take for Medunjanin to be produced in this District, but the government submits that an adjournment to November 2020 seems to provide sufficient time for Medunjanin to be produced in this District in order to appear in person for his re-sentencing.

Respectfully submitted,

SETH D. DUCHARME  
Acting United States Attorney
